Interior Design Services

- **Initial Consult** – This gives us a chance to get to know each other and for us to understand what you are looking for. At that time we'll ask a series of questions to get an idea of the direction that we need to go. If services are needed, this amount is subtracted out of the total. **\$130**
- **Design/Decorating Services** – We charge a flat fee by room. However, if the cost of the job (furniture, accessories, window treatments, etc) is over \$10,000 then it is based on a percentage. After \$10,000 it goes to a straight 25% cost of the job. These prices include services only and do not include the cost of furniture and other products that may be needed.
